

RAMADAN CALENDAR SCAVENGER HUNT

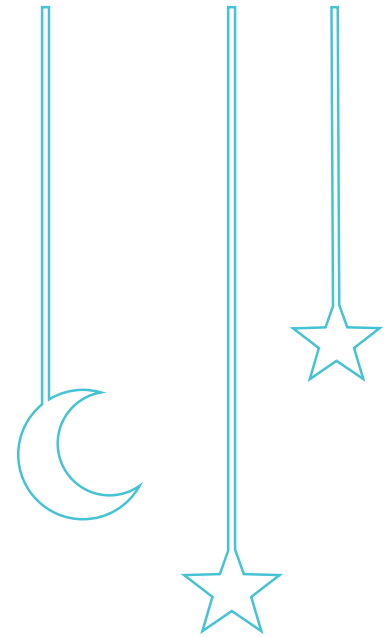

KAZIMA WAJAHAT

Parent's Guide

Dear parents,

Asalamualaikum.

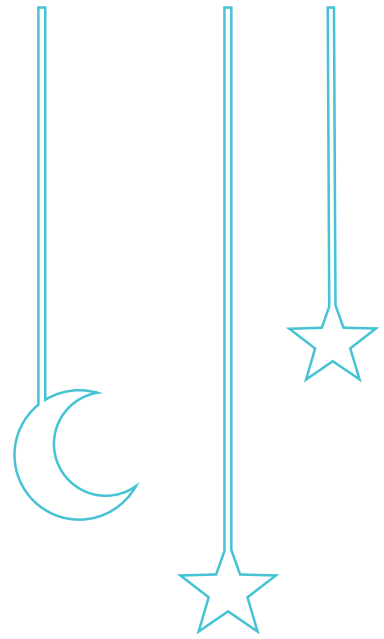

The blessed month of Ramadan is almost here and if we have learned anything from Ramadan 2020, it is that the experiences we create for our children are invaluable. This year, we at @zairzabrplay and @kazimawajahat, have teamed up to add to the spirit of Ramadan by presenting to you the Ramadan Scavenger Hunt Challenge. In this package you will find thirty clues and thirty challenge cards for each day of Ramadan.

- Each day, hide the challenge card for the corresponding day where the clue card indicates.
- Have your child pick the clue card for that day. We recommend using a Ramadan countdown calendar.
- Have them find the challenge card you have hidden.
- Encourage them to complete the challenge on the card. Do take pictures/videos to record these precious memories. Don't forget to share them on Instagram/Facebook and tag @zairzabrplay and @kazimawajahat for a chance to win a prize every 10 days!

Find more wonderful resources on zairzabrplay.com and kazimawajahat.com.
We pray you have a safe and fruitful Ramadan this year, inshAllah!

1

You use me every night
To sleep on me, left or right
A mattress, some pillows, not much to see
Don't worry, there are no monsters under me

2

At least twice a day you need me
After you are done always wash me
Clean with me morning and night
And I'll keep your pearls shining bright

3

Roses are red
Violets are blue
Put your clothes in me
And I'll make them as good as new

4

Pull me back in the morning
Shut me at night
Let the light shine in
By bundling me tight

5

Vroom vroom, watch me zoom by
With four wheels, I'm a comfy ride
I help you reach every place
Put your seatbelt on in every case

6

Fajr, Dhur, Asr, Maghreb and Isha
Use me to get close to Allah,
Unroll me and lay me flat
I'm more than just any old mat

7

Come and you can sit on me
 I can be super comfy
 I have four legs but no knees
 Find me by a table please

8

I'm used for work by Mommy and Daddy
 Be careful when you are around me
 I have keys but I don't need a lock
 You'll find some ports, and maybe a dock

9

I'm in your living room you'll see
 But I'm definitely not a TV
 I sometimes have two seats
 And sometimes I even have three

10

You walk over me to get around
 'cause I'm always lying flat on the ground

11

Open and close, that's all I do
 Right next to me, you leave your shoe
 Ding dong, the bell goes
 Who is it? Mamma usually knows

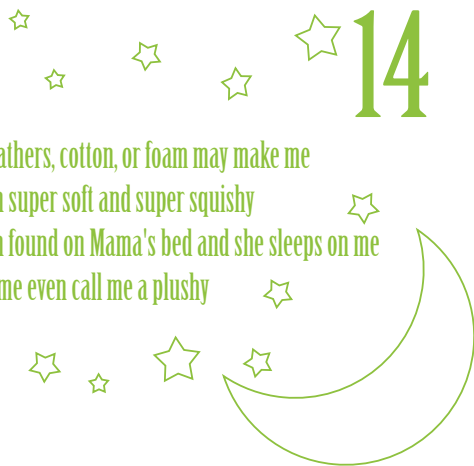

12

Jump inside, the water's fine
 If it's not, just take your time
 Move the knobs and get it right
 I make sure you're clean everyday and night

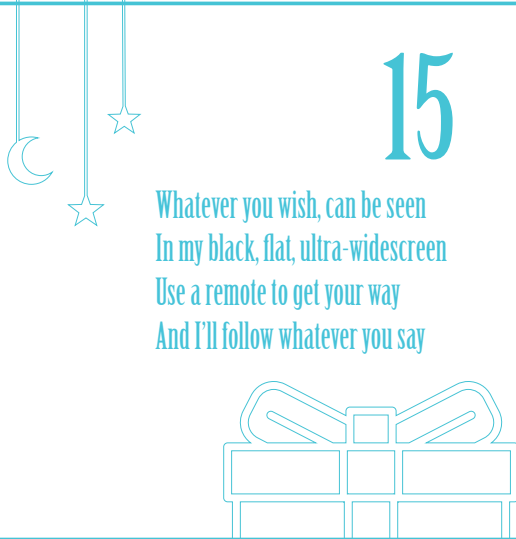

13

If you're in a hungry mood
Look in me
And you'll always find food

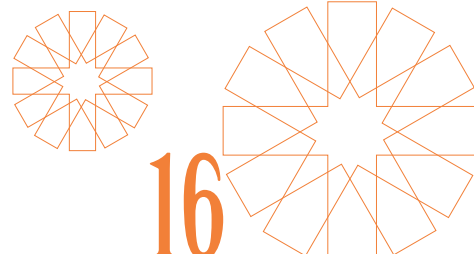

14

Feathers, cotton, or foam may make me
I'm super soft and super squishy
I'm found on Mama's bed and she sleeps on me
Some even call me a plushy

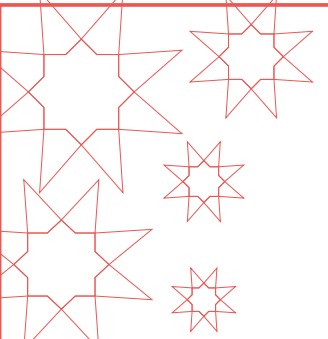

15

Whatever you wish, can be seen
In my black, flat, ultra-widescreen
Use a remote to get your way
And I'll follow whatever you say

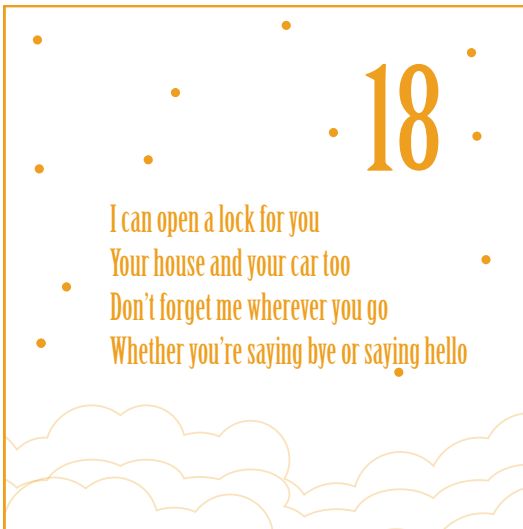

16

Oscar thinks it's really neat
but ask another and they will say
"It really stinks and
should be left on the street"

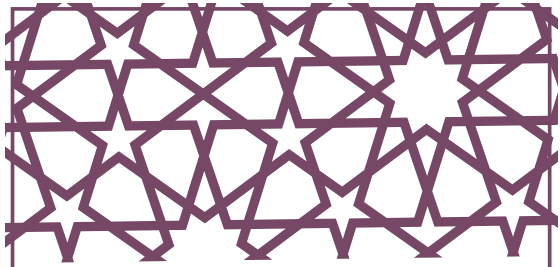

17

I have four legs, but don't have feet
You use me when it's time to eat

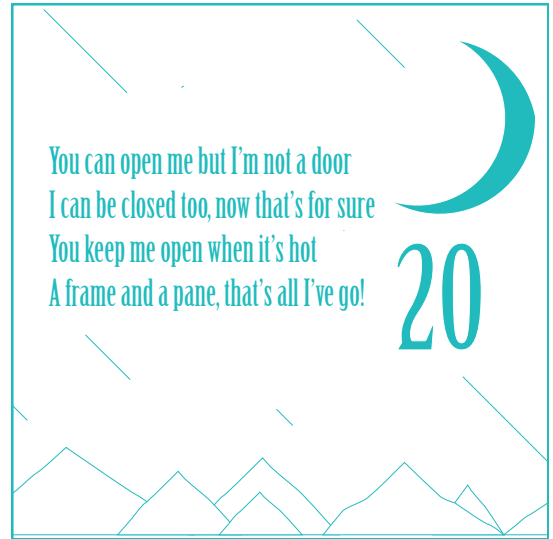

18

I can open a lock for you
Your house and your car too
Don't forget me wherever you go
Whether you're saying bye or saying hello

I'm home to many stories and tales
 I give you what you want, without fail
 I store knick-knacks, but mainly books
 Find my clue while no one looks

19

You can open me but I'm not a door
 I can be closed too, now that's for sure
 You keep me open when it's hot
 A frame and a pane, that's all I've got!

20

Give me a tap and I'll give you some suds
 I come in handy when you're covered in mud

21

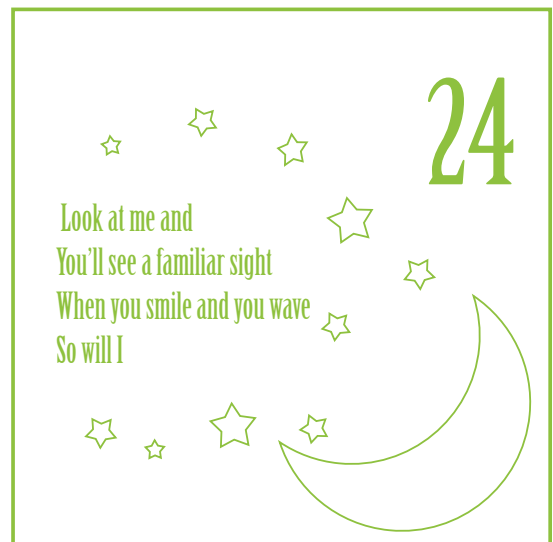

Open my door for yummy food
 Have some leftovers? I'll keep them good
 I may crank up the electric bill
 But I'll keep your drinks always chill

22

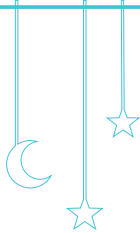

Beep, beep, here I go
 Heating your food with a blow
 I spin in circles and warm your food
 Mmm, a Hot Pocket sounds pretty good

23

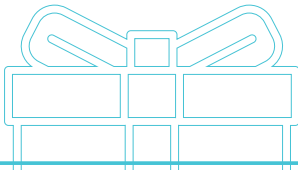

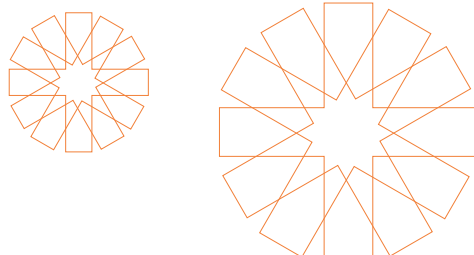

Look at me and
 You'll see a familiar sight
 When you smile and you wave
 So will I

24

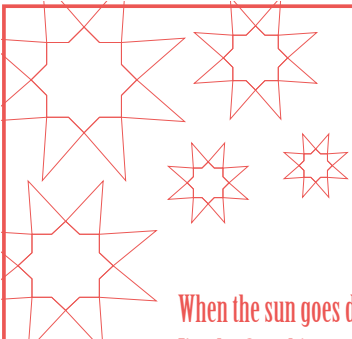

25

By the TV I can be found
with buttons galore to provide some sound

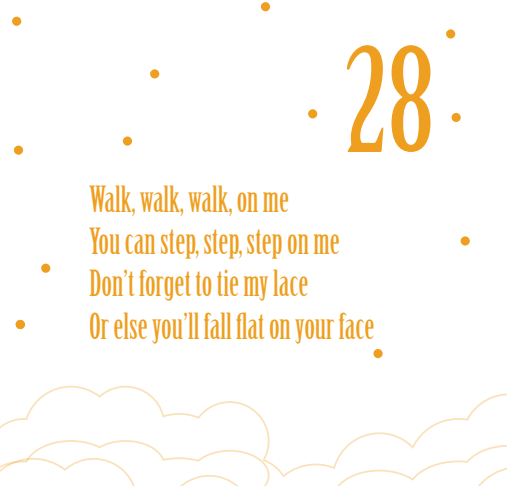

26

I'll be waiting for you in the morning
To make your breakfast less boring
Make your bagels warm and crispy
Or your soft bread hot and toasty

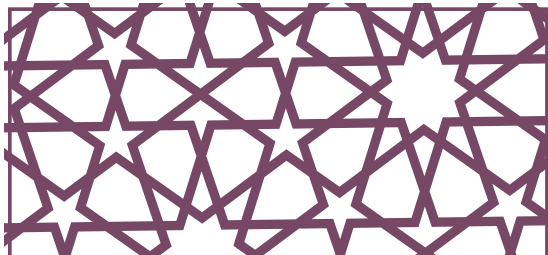

27

When the sun goes down and I come out
I'm the first thing to go in your mouth
Its sunnah to eat me
don't worry I'm super yummy

28

Walk, walk, walk, on me
You can step, step, step on me
Don't forget to tie my lace
Or else you'll fall flat on your face

29

I hold your clothes and all your shoes
You use me daily before you choose
Open my door and take your pick
And don't forget to click a pic

30

You have read me all month long
And now your emaan is surely strong
Read me throughout the year
And you will feel Allah is near

Happy Ramadan! Let's welcome the
Ramadan moon. Design a spectacular
crescent moon and hide it for your
mom, dad, or sibling to find.

1

The Masjid is one of our favorite places
to be. Use legos, blocks, play doh, or
anything around the house to build
your own Masjid.

2

Have mom or dad share you wonderful creation on Instagram and tag
[@zairzabrplay](#) and [@kazimawajahat](#) for a chance to win a prize.

It's time for a scavenger hunt, in the **3**
Quran! In Ayah 19 of Surah Al Baqarah,
which of these is mentioned: hail, snow,
spring, rainstorm, or blizzard?

Have mom or dad share your answers on Instagram and tag
[@zairzabrplay](#) and [@kazimawajahat](#) for a chance to win a prize.

It's story time and **YOU** are telling the **4**
story. Use the magnets in the Quran
Activity Book or your own materials to
retell the story of Prophet Yusuf.
