Mikaeel and Malaika are lost. Read the story. Help the superheroes answer the questions by using clues from the story.

Mikaeel put on his blue rainboots and coat, packed his homework in his backpack, grabbed his umbrella, and walked out the door. He was running late. Malaika was already half way there and he needed to catch up. All of the sudden he heard loud barking. Mikaeel cautiously turned around and saw a big red dog with blue spots wearing a black top hat.

“What a cute and peculiar dog.” thought Mikaeel. He stepped forward and tried to pet it while saying hello. Just then the dog jumped and began to growl. It began barking “HOMEWORK! HOMEWORK!”

“Huh?” cried Mikaeel. The dog raced towards Mikaeel. Mikaeel yelled and sped in the opposite direction. Suddenly there was a loud BEEP BEEP BEEP. Mikaeel sat straight up in bed, looked around his empty bedroom, turned off his alarm clock and laughed.
